単位数(Credits)	1	必修・選択(Required / selection)	選択

■授業の目的と概要(Course purpose/outline)
This is a beginning course of English Oral Communication. The goal is for students to develop and improve their overall proficiency in communicating in spoken English. Classes will include a wide variety of speaking and listening exercises and activities that will facilitate in students to use organic communication, learn basic day-to-day language, be motivated to learn and study English, and interpersonal interactions. This course will focus on communication skills using activities such as pair-work, small group discussion, interviews, role-plays, individual presentations, and group projects. There will be audio and video practices to enhance listening skills.
